

The National Society of Leadership  
and Success in association with

**STARLINK**

Presents

# Chasing Greatness and Leading the Way

- Achieve the impossible
- Learn the 5 Cs of Effective Leadership
- Eliminate negative mind chatter

**Kevin Bracy** learned the importance of nurturing dreams at an early age. It was the struggle of his childhood that gave him the fuel and created the work ethic necessary to be successful. Kevin is an internationally renowned speaker, author and entrepreneur. Kevin was voted the number one youth speaker in the country six years in a row by students and counselors. He has spoken before employees and executives at Hewlett Packard, AT&T, Farmers Insurance, Disney, The U.S. Army, The U.S. Air Force, and The March of Dimes, to name a few. He coaches corporate leaders on how to achieve Everyday Greatness in Execution.

**Campus Information:**
