

**The Texas Higher
Education Coordinating
Board**

Present

**Available on DVD
& Internet**

Career Clusters: A Foundation for Workforce Curricula

Career clusters are groups of similar occupations and industries developed by the U.S. Department of Education. This program will look at how the Texas Higher Education Coordinating Board, through it's Carl Perkins Leadership Grants, and the Texas Education Agency, through Achieve Texas, are using the 16 Career Clusters to develop curricula.

Online 24/7

Jan. 23 - Feb. 6, 2012
